*ollow the yellow brick road  
to the London Palladium*

To make your trip to London unforgettable, booking seats for a West End musical is a must. We recommend Andrew Lloyd Webber's new production of *The Wizard of Oz*, starring Danielle Hope, winner of BBC's 'Over the Rainbow'. This all-time classic has been totally reconceived for the stage, so as well as your favourite characters and those iconic moments, expect a few surprises. That yellow brick road could take some unexpected turns.
