

When a guide dog is **attacked** by a dangerous dog, it's the **visually impaired** owner who gets the **prison sentence**. Stranded, isolated unable to visit friends or go shopping, to lose a guide dog is to lose your **freedom**. Yet the owner of a dangerous dog that injures a guide dog walks free, nearly every time. Help us **end this injustice**.

UNFAIR FIGHTS
CANCELLED

DOG FIGHTS ARE ILLEGAL IN THE UK. BUT WHEN AGGRESSIVE DOGS VICIOUSLY ATTACK DEFENCELESS GUIDE DOGS, THE IRRESPONSIBLE OWNERS ARE RARELY PROSECUTED. EIGHT GUIDE DOGS A MONTH ARE ATTACKED BY OTHER DOGS, AND THIS NUMBER IS RISING. GUIDE DOGS WON'T FIGHT BACK BECAUSE THEY'RE TRAINED TO REMAIN PASSIVE – SO WE NEED TO FIGHT FOR THEM. TEXT FIGHTBACK TO 12345 TO SIGN OUR PETITION FOR COMPULSORY MICROCHIPPING.
